## Police Officers

The police have an important job. They help people stay safe.

They make sure that everyone obeys the laws. They keep traffic flowing safely on the roads. They capture criminals and put them in jail.

If you get lost, you can go to the police. They will help you find your way home.

*What reasons does the author give to show that police help keep people safe?*

1. _____ _____
2. _____ _____
3. _____ _____
