

Name \_\_\_\_\_ **Consonance**

## Consonance Exercise

Consonance is the repetition of similar consonant sounds close together within a word, phrase or sentence. While alliteration is the repetition of the *first* letter of each word, consonance can appear anywhere within a word, and often appears at the end.

**DIRECTIONS:** Read the first word. Create consonance with the two words by circling the appropriate word from each line.

**EXAMPLE:**

pitter	<u>patter</u>	kid	fight	lose
1. ship	kid	ice	shape	lose
2. much	grave	touch	battle	salad
