## TONGUE TWISTERS

Have ever heard a tongue twister before? Have you ever tried to *say* a tongue twister before? It's not easy! The reason these funny sayings mess up our mouths is because they're filled with alliteration.

I. **Directions:** Underline all of the words that contain alliteration in the tongue twisters below.

1. Sally sold seashells by the seashore.
2. Peter Piper picked a peck of pickled peppers.
3. A big black bug bit a big black bear, made the big black bear bleed blood.
4. How much wood would a woodchuck chuck if a woodchuck could chuck wood?
5. Fred fed Ted bread, and Ted fed Fred bread.

II. Write your own tongue twister about the words listed below. Use at least three other words that contain the same letter as the word given in order to create great alliteration—and a tough tongue twister!
