Adventures in Alliteration ADVERBS

Adverbs are words that describe adjectives and verbs.

Part I: Write an adverb for verb so that it creates an alliterative phrase.

Example: walking *wobbly*

1. Dancing _____

2. Snoring _____

3. Eating _____

4. Sitting _____

5. Posing _____

6. Running _____

7. Lounging _____

8. Crying _____

9. Chomping _____

10. Gazing _____

Part II: Rewrite the following sentences using as much alliteration as you can. You may change any words in the sentence except the adverb, which is underlined. The meaning of the rewritten sentence must be the same as the original.

11. The grandmother walked along the path slowly.

12. Birds flew across the sky breezily.

13. Silently, the children entered the library.

14. The dancer performed gracefully.

15. Two little boys shared their toys nicely.
