

Same Letter Alphabetization

Direction: Rewrite each set of words in alphabetical order. Remember that if words have the same first letter, you look at the second letter to figure out alphabetical order. If they have the same second letter, just keep going until you find a letter that is different. Use that letter to determine alphabetical order.

1. Monkey, Mango, Memory, Month, Mixer

2. Average, Axe, Ample, Area, Algae

3. Picture, Pieces, Perimeter, Premise, Promise
