

Name \_\_\_\_\_ **Character Traits**

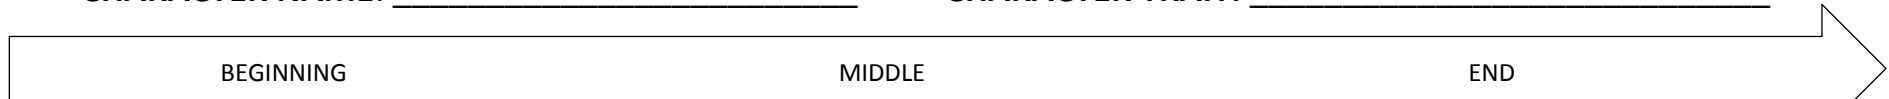

# Traits of Fiction

**DIRECTIONS:** A character trait is something about a person that both influences and is revealed through their words, thoughts and actions. Character traits can be either positive or negative. Some examples of character traits include: fickleness, generosity and selflessness. Choose a character from a book or story that you have read. What is the primary trait of that character? How does the author demonstrate that particular trait throughout the whole story?

**CHARACTER NAME:** \_\_\_\_\_
