

## Identifying Contractions

Name \_\_\_\_\_

Directions: In the passage below, identify the contractions. Underline any contraction you see. The first contraction has been underlined.

It'll be daylight soon and I can't wait for the new day to arrive. We're going to the farm to see the animals. James and his grandpa will be visiting the farm too. I'll need to bring my jacket because it may be cold too. Aren't the chickens going to be cold? James will need a jacket too so that he doesn't get cold. We'll feed the chickens and take a look at the cows too. Mr. Kevin is the farmer and he'll show us how to feed some horses as well. There'll be a pet snake too.

It'll be a great day at the farm and you should come too. Perhaps, you'll be able to feed the chickens with us. Don't worry if you don't know how to feed chickens. We'll teach you! Yes, we will. I'm glad we've something cool to do this weekend. Also, we'll be helping Mr. Kevin fix his barn. It'll be so much fun and it wouldn't be as much fun if you didn't come along too. Off to the farm we go! Oh, I can't wait! I can't wait!! I can feel so much fun ahead.
