

## Fish out the Homonyms

Name \_\_\_\_\_

Homonyms are words that may have the same spelling and do sound alike. However, despite the same sound and possibly the same spelling, these homonyms can have different meanings. Help the fisherman fish out the homonyms. Underline homonyms in each of the text boxes below.

I would like to explain that I was there too and there were two men in the school to teach the children about penguins.

I did not think it was fair that the children were not allowed to go to the fair grounds on Saturday. Everyone was looking forward to it and the weather was also fair on that day.

I did not lie down on the grass. Hence, there is no need to lie about it. I saw the cow lie down on it and that's why the grass is so flat.

I went out to the sea and saw all the fish swimming around. I could not see the animals near the shore, but I may see the fish come near the land.
