First Day of School

I couldn’t wait for the first day of school! I had my new pencils, notebooks and crayons all packed in my backpack, ready to go. My mom had helped me pick out my special first day of school outfit and I was wearing my favorite baseball cap from the Hippos baseball team that I had played on over the summer. I was going into the first grade and I just knew that it was going to be a great year!

What grade is the child in the story entering?

What was the team that he played on over the summer?

What did he have in his backpack?

Describe how you think he was feeling about his first day of school.
