Using the Right Prefix

Prefixes are added to the beginning of “root” or “base” words to change a word’s meaning. Look at each root word below. Which prefix is often added to it? Choose the correct prefix and write the new word on the line beneath that prefix.

WORD BANK

<table>
<thead>
<tr>
<th>turn</th>
<th>ease</th>
<th>school</th>
</tr>
</thead>
<tbody>
<tr>
<td>honest</td>
<td>play</td>
<td>mount</td>
</tr>
<tr>
<td>do</td>
<td>heat</td>
<td>view</td>
</tr>
</tbody>
</table>

Prefixes:
- re- means again, back
- dis- means not
- pre- means before

_______  ____  ____
_______  ____  ____
_______  ____  ____
_______  ____  ____
_______  ____  ____
_______  ____  ____
_______  ____  ____
