

# Brazil

**DIRECTIONS:** Read the paragraph. Match the words to their definitions.

Brazil is the largest country in South America and the fifth largest country in the world. Brazil has a varied landscape. It has dense jungles, like the Amazon, which are very thick with plants making it difficult to travel through. It also had dry grasslands called pampas, pine forests, rocky hills and wetlands. The long river in Brazil is called the Amazon River. It is the longest river on earth, and many interesting creatures live in it, like the piranha, a fish with very sharp teeth that is well-known for being fierce with its prey.
