Read about each person below and then answer the questions on the second page.

Bobby the Baseball Player

I like to play team sports. Winning is fun, but just being able to play sports that I love is enough. I am good at baseball and football and try my hardest each game.

Suzy the Cheerleader

I like making people smile. I am always full of energy and can usually cheer people up. Making others happy makes me happy.

Martin the Reader

I like to play quiet games and read. I especially like books that take me to faraway places and let me imagine a different world.

Judy the Clue Seeker

I like finding clues and solving mysteries. My friends come to me whenever they have a problem that needs to be solved.
Question Sheet

Who is it? Read each statement below and then write the name of the character that you believe it is about. Explain why you chose that person.

Watching people dance makes you smile, which is why I do it.

________________________________________________________________

It would be neat to live in a world full of dinosaurs and knights.

________________________________________________________________

If you lost something, you would go to her for help.

________________________________________________________________

I get along well with others.

________________________________________________________________

Playing cards is one of my favorite games.

________________________________________________________________

If you are feeling down, I will cheer you up.

________________________________________________________________

Learning new tricks helps me to improve my skills on the field.

________________________________________________________________

I can write and read in code.
