In the fall, I love to do many outdoor activities. First, I like to go to an apple orchard. There, I sample apple flavors and eat apple pie! Next, I like to step on crunchy leaves. Lots of leaves fall from trees in the fall. I always love going to a pumpkin patch, too. I like to carve a jack-o-lantern with my pumpkin! Then, I like to go trick-or-treating on Halloween. I enjoy wearing a costume and collecting yummy candy! Finally, I love collecting pretty colored leaves to press in a book. Fall is a very fun season!
