## In the Future

Gorgot is an alien who just landed on earth. He says he comes from the future, and knows all about what life will be like on earth in 100 years. Here are some of the things he says are going to happen. Circle all the verbs that are in the future tense.

- 1) People will ride around on their own little spaceships.
- 2) There will be many new types of animals on the earth.
- 3) The oceans will rise and cover some of the islands.
- 4) Smart robots will be built, and will do many of our jobs.
- 5) Animals will learn how to communicate with people.
- 7) Aliens from other planets will come and live with Earthlings.
- 8) Scientists will find a new kinds of power to replace electricity and gas.
- 9) People will be able to visit and even live on other planets.
- 10) Kids will do all their schoolwork on computers.
