

Name _____

Date _____

Up a Tree!

Annabelle Chipmunk has had a busy day. As you read about her adventures, choose a past tense verb from the box to complete the sentences.

Annabelle Chipmunk _____ up this morning at dawn. She _____ big plans for the day. She _____ her husband, Cookie, that she _____ on gathering all the nuts they would need for the winter, while he _____ the holes in their storage tree. Then, off she _____ through the forest. She _____ every nut she could find. She _____ as many as she could in her cheeks, then quickly went back to the tree. She _____ her nuts with Cookie and went off again. After doing this about seven times, she _____ very tired. But she _____ to go out one more time. She was picking up nuts at the base of a tree, when she _____ another animal approaching. It was a big dog! Quickly, she _____ up the tree. The dog _____ around the tree for a long time. While she was waiting for him to leave, Annabelle got tired, and _____ asleep on a branch. Cookie _____ looking for her. Seeing her asleep in the tree, he _____ "Anna! How can you sleep at a time like this! We have work to do!" Anna just had to laugh!
