

Field Day

DIRECTIONS: Read the story. Answer the questions.

Everyone in the school participates in field day. It is a whole day full of sports and games. John signed up to do the hundred yard dash. It is a race to see who can run the distance of one hundred yards the fastest. John ran one hundred yards in 14 seconds. Paul ran the distance in 13 seconds. John lost the race by a difference of only one second!

distance
hundred
difference
