

At the Furniture Store

Directions: Mr. and Mrs. Miller are shopping for furniture for their living room. They have seven hundred dollars to spend. Help them decide what to purchase by answering the questions.

1. Which item is the most expensive?
2. Which item does not belong in the living room?
3. The Millers definitely plan to purchase the sofa. Which chair can they afford to purchase to go with it?
4. Mr. Miller wants the footstool. Can they afford it?
