Brain Storm a Great Idea

Get your brain in gear to write a great story with the following story web. A great story will have main characters (important people or animals), a setting (the when and where), and a plot (events with details). Develop ideas for each of these areas below.

Main Characters:

Setting:

When: _____

Where: _____

Story ideas:

Details for the Story

Use the story ideas and details you chose to write a short story. Remember to be creative and use many details. When you are finished trade with a friend to offer ideas for improvement.
