DIRECTIONS: Jim and Kellen have just arrived at the Westlake Chess Tournament where they are both going to be playing chess. The first thing they do is stop in front of the schedule board to figure out what to do. Read the schedule board. Then answer the questions.

1. It is 8:55. Jim and Kellen are both playing in the first round chess matches. Do they have time to walk through the lobby right now and visit the vendor stalls?
2. Both boys really want to hear the guest speaker, Ralph Mulligan, speak about chess strategy. He is giving the same lecture twice. Since both boys are playing in the first round matches, which session should they plan to attend?
3. What would be a good time for the boys to have lunch and visit the vendor stalls?
4. Where are the chess matches being held?
5. Where are the vendors set up?
