How Are You Today?

Dialogue can express a lot about a character, like how she is feeling, what kind of mood she is in, etc. Pretend that a character in a story you are writing has just asked each of the girls pictured below how she is doing today. Study each picture. What kind of mood do you think the girl is in? How do you think that she is feeling? Write each girl’s response on the line provided in a way that will indicate what is on her mind.
