DIRECTIONS: People sometimes send postcards when traveling. The postcard is a unique way to stay in touch, not only because you can write to someone about where you are and what you are doing, but because the picture on the front can be like sharing a personal snapshot of your vacation with a friend. Think of a vacation you have taken, or imagine one that you would like to take. Draw a picture below to be the front of your postcard. Then, on the next page, write a paragraph in the space provided, telling a friend about your vacation.
