Animal Kingdom

Answer the following questions and prompts using reference materials.

- What does your animal look like?
- How big is it?
- What does it eat?
- How does it get its food?
- What is its habitat? (Where does it live?)
- How long does it live?
- How does it care for its young?
- Does it live alone or in groups?
- What is its social structure?
- What is its lifestyle?
- What threats or dangers does it face?

Next, prepare a unique presentation about your animal:

A. Make a diorama of your animal’s habitat
B. Write a fictional story about a typical day in your animal’s life from its point of view
C. Create a report in which on each page a picture answers the questions posed above.
