

Let's Get Cooking!

Directions: The Internet is a wonderful resource for all kinds of things—like recipes! Choose one of the cooking projects below and use a computer to find a recipe and directions. Use the recipe and directions as the basis for an expository paragraph about how to make whichever project you chose. Type your essay using a computer.

PANCAKES

Many people use a pancake mix to whip up this breakfast favorite, but making pancakes from scratch is actually very easy.

PIE CRUST

There is nothing quite as wonderful as a flaky, buttery pie crust. What's the secret to making this delicious treat?
