

Inferences

DIRECTIONS: Read each passage and then respond to the questions. The questions will ask you to make a logical inference based on details in the text. Explain your answer by referencing the text on the lines provided.

When her mother pulled up into their driveway, Phoebe said, "Hey, there's kids over there." Her mother looked where Phoebe was pointing.

"They must be our new neighbors," her mother said.

"Can I go ask them if they want to play?"

"Of course," her mother said.

1. Which personality trait applies to Phoebe?

- a. Phoebe is shy.
- b. Phoebe is outgoing.
- c. Phoebe is unimaginative.

Rachel ran five miles every day. She only ate fresh fruits and vegetables, eggs and fish, and everything had to be organic. She went to bed early every night, and always got a good nine hours of sleep.

2. Which personality trait applies to Phoebe?

- a. Rachel is lazy.
- b. Rachel is energetic.
- c. Rachel takes very good care of her health.
