Build a Story Puzzle

Characters, **setting** and **event** all need to come together like a puzzle in order for a story to work. Use the diagram below to map out the characters, setting and event in the story you just read.

1. Describe the characters of Penny and Olivia.

2. Describe the setting of the story.

4. Write a sentence or two here, describing how character, setting and event intersect in this story.

3. What event is at the center of the story?
