

# Comparing Genres

You will be reading two books. Though the books are different genres, they are both about the same theme or topic. As you read, think carefully about how each genre presents and develops the theme or topic. Then fill out the organizer below, referring to specific details from the books.

**Name of Book:** \_\_\_\_\_

<p><b>Theme or Topic:</b> What theme or topic did the books have in common?</p>		
<p><b>Approach:</b> How did each book approach the theme or topic?</p>		
<p><b>Development:</b> How was the theme or topic developed by key details?</p>		
<p><b>Relationships:</b> What was the relationship between the theme/topic and the other elements of the book (story, character, setting, etc.)?</p>
