

The Great Homework Debate

Over the past several years there has been a lot of debate over whether or not homework is a productive use of students' time. Some people believe that students these days don't have enough homework, others believe that homework serves no real purpose and does not improve students' academic performance.

1. Do you feel that the amount of homework that you do is enough? Too much? Just right? Why or why not?

2. Name three credible sources that you might check to find evidence to support your belief.

A. _____

B. _____

C. _____

3. Check those sources and write one evidence-based claim to support your belief below:
