

What Animal Makes the Best Pet?

When most people think of a pet, they think of a cat or a dog. Cats and dogs are by far the most common companion animals, but they are not the only ones. What animal do you think makes the best pet? Why? What kinds of circumstances affect which pet is best?

1. What is your favorite companion animal?

2. List three reasons why you think this kind of animal makes the best pet.

A. _____

B. _____

C. _____

3. Cite three references that back up any one of your claims in #2:
