Talking about Technology
Writing in One Sitting

DIRECTIONS: Choose one of the writing prompts below. Write several paragraphs which completely answer the prompt.

Are there certain things that you think are so mundane that humans should no longer bother doing them, and if so, are there robots in our future? If so, in what capacity do you think that people will start using robots regularly?

Do you think that people should be allowed to be completely anonymous online? Why or why not?

Do you think that your teachers use technology to your advantage in the classroom? Does technology in school add value to your education? How?
