

The Script vs. the Film

DIRECTIONS: Analyze the extent to which the film you have seen stays faithful to or departs from the script, evaluating the choices made by the director or actors.

1. How did the images in the film compare to the setting in your imagination?

2. How do the events shown in the movie compare to the events in the script?

3. How do the depictions of the characters in the film compare to how you pictured the characters in your imagination?

4. What differences do you notice between the script and the film?
