Bringing Shakespeare to the Stage

DIRECTIONS: Analyze the extent to which the play you have seen stays faithful to or departs from the script, evaluating the choices made by the director or actors.

1. How did the staging of the play compare to the play in your imagination?

2. How did the costumes in the play help to develop the characters?

Name _____ **Films and Their Scripts**

3. How did you feel about the characters when you were reading the text of the play? Did you feel differently when you actually saw them on stage? Why or why not?

5. Consider the limitations of a script in presenting a story. In each of the following areas, do you think that the director and actors realized, improved upon, or failed the author's vision for the story? Explain.
