

Name _____ **Writing Prompts**

A Second Chance at Life

DIRECTIONS: Develop the topic with relevant, well-chosen facts, definitions, concrete details, quotations, or other information and examples. Write several paragraphs which completely answer the prompt.

If you were to awake several hundred years from now as the first successful cryogenic patient ever, to find that what killed you has been cured, and you are once again healthy, what would be your first thoughts? What would be the advantages and disadvantages of living out your life in this future time period?
