

Suffixes –s and -es

Directions: The suffixes –s and -es make a noun plural, meaning more than one. Circle the plural nouns. Then make a list of and define the plural nouns.

Example: She has many cats.

Plural noun: cats Define: more than one cat

She has three green markers.

1. Can you help me with my homework assignment?
2. You have a lot of video games.
3. She always watches her children at the park.

4. Do you like those dogs?
5. He likes your painting.
6. Our living room has two arm chairs.
7. He has many watches.

Plural Noun:	Define:
