Whoosh! Fast on My Bike

Directions: Read the following passage or listen to your teacher read the passage below. Can you determine what in the text supported the need for Mike to go slowly on his bike?

Plop! Up in the air Mike went and landed on the hard floor in the playground. His bicycle came to a stop beside him.

Wooow!! Mike said loudly. That hurt!

Mr. Cooper, the gym teacher stopped beside Mike and helped him up to his feet.

Well, you need to go slowly on your bike, Mike. The ground is slippery. There are too many people in the playground too. You should also not be riding your bike in the playground. That heavy bag on your back can make you fall too.

What are the reasons the author gives to support the need for Mike to go slowly on his bike?
