

Name \_\_\_\_\_

# Interjections

An **interjection** is a word or phrase used to express strong feelings or surprise. An exclamation mark or comma is used to separate the interjection from the rest of the sentence. The stronger the feeling, the more appropriate it is to use an exclamation mark.

**DIRECTIONS:** Choose from the interjections below to write original sentences that include interjections. Use exclamation marks.

wow

yikes

ouch

ooh

congratulations

stop

oh no

rats
