## Cat Glyph Instructions

1. If you like cats and have at least one cat, color the cat solid orange.
2. If you like cats and don't have any cats, color orange spots on the cat.
3. If you don't like cats and have at least one cat, color black spots on the cat.
4. If you don't like cats and don't have any cats, color the cat solid black.
5. Cut out your cat and trade cats with the person next to you.
6. How does this person feel about cats? Do you they have cats?
