Active voice describes the action performed by the subject. When using passive voice, an action is being done to the subject in the sentence.

Examples:

**Active Voice**

The men pushed the cart.

**Passive Voice**

The cart was pushed by the men.

Rewrite each active sentence and make it passive.

1. The group finished the project.

2. I turned off the TV.

3. The water washed all the snow away.

4. Piper made lunch.

5. The students watched the movie in class.

6. Billy prepared coffee for the office.

7. The frog caught a fly.

8. The cheerleaders led the band into the field.
