

# What Are Contractions?

Name \_\_\_\_\_

Contractions are words that have been shortened from other words. Examples of contractions that begin with the letter **W** are provided below.

Directions: First, draw an arrow from the "Contractions" box to the column where the contractors are shown. Use a line to link the contractions to the full words.

## Contractions

Who're

What will

We've

What are

Weren't

Who are

What'll

Were not

What're

We have

Next, use any of the contractions above to make 2 sentences/questions.
