### Using the write right homophones

Visualize a picture in your mind for the sentence as you read.

Use your picture to cross out and correct each homophone.

Then, answer any questions.

1. Boris was so hungry that he ate the hole cream-filled donut and then another one with a whole in it! (2 homophones)
2. The cake had bin in the refrigerator for a week and no one eight it. (2 homophones)
