

Name _____ Date _____

Creepy Crawly Things

Sometimes separating fact and opinion can be tricky, because opinions are usually based on facts and you might agree with the opinion.

**Practice separating the fact and opinion in each statement.
Write the fact that the opinion is based on. Do you agree with the opinion?**

1. Snakes can see through their eyelids, which makes them the coolest of all reptiles.

FACT _____

OPINION _____

2. It would be hard to comb a giraffe's hair since it is ten times thicker than human hair.

FACT _____

OPINION _____

3. Leopards hunting at night transform the jungle into a terrifying place to be after dusk.

FACT _____

OPINION _____

4. Male giraffes look silly when they fight with their necks, which is called necking.

FACT _____

OPINION _____

5. Even though only the female mosquito bites humans, all mosquitoes are annoying pests.

FACT _____

OPINION _____

6. Penguins are boring, flightless birds.

FACT _____

OPINION _____

7. Spiders, being arachnids, are not insects, so they are the best pets, especially tarantulas.

FACT _____

OPINION _____

8. People should avoid swimming in the ocean, as brainless jellyfish that can sting people lurk in every ocean.

FACT _____

OPINION _____
