

Making Sentences with Homographs

Name: _____

You can have one word with the same spelling but with different meanings. This type of word is called a homograph. On the side of this page are homographs. Use each homograph to make 2 sentences. In each sentence, use the word in a different way with a different meaning. Underline the homograph used. An example has been provided.

1. I can rock the boat with my weight.

2. The little boy threw a rock into the water.

3. _____

4. _____

5. _____

6. _____

7. _____

8. _____
