

NAME: _____

Date: _____

Using Inferences: Where are we?

Ronny sat with his mouth wide open, waiting for the doctor to come back in. Ronny was always nervous about coming in for his check-up. After the check up the doctor told Ronny that he was doing a good job and gave him some floss and mouthwash to take home.

1. Where does the story take place?

- a. The hospital
- b. The nurse's office
- c. The dentist's

2. How do you know?

At 12:00 the bell rang and everyone lined up to leave the class. The students walked down the hall, grabbed a tray, and stood in line. Some students asked for meatloaf while others preferred a turkey sandwich.

1. Where does the story take place?

- a. The nurse's office
- b. The cafeteria
- c. The playground
