

# Storyboard Your Plot

A storyboard is a visual depiction of how you plan to tell a story. It is like a plot diagram made out of pictures. Study the parts of a storyboard. Then use the template below to create your own storyboard by drawing a picture (you may include thought or speech bubbles) in each frame, as if you were going to create an animated cartoon of your story. In the bottom boxes, summarize what happens in each frame.

<b>INTRODUCTION</b>	<b>CLIMAX</b>	<b>CONCLUSION</b>
What happens:	What happens:	What happens:
